

THE CALIFORNIA ZOROASTRIAN CENTER

MISSION STATEMENT

The California Zoroastrian Center
will be a body of the members and satellite centers
representing them with a spirit of equality,
truthfulness and fairness inherent in
the teachings of Zarathushtra.

The body shall endeavor to uphold equal rights of all without
intimidation or coercion, respect free minds and further
the cause of building a vibrant community
with team work and collaboration.

The body, in accordance with the democratic society in which
it exists, shall support the freedom of speech, free will and
make available the teaching of religion to all who seek.

The body shall have a genuine interest to look after the progress,
welfare and needs of the community.

The body shall depict Zoroastrianism as the living religion by
helping Mobeds as well as members in allowing them to perform Jashan prayers,
observe traditions and follow customs.

The body shall encourage the posterity to follow the religion of
Zarathushtra as well as promote economical, intellectual and
spiritual growth of the community.

The body shall, to achieve the above objectivity, engage in lawful activities
that is apropos to the legal system of the United States of America.
